**ADDENDUM TO PERSONNEL POLICY MANUAL
TEMPORARY HIRING FREEZE**

At their meeting on June 27th, County Council voted to implement a temporary hiring freeze for positions other than jailers, Sheriff's deputies, building/grounds maintenance employees, solid waste employees and department heads. Position openings are required to be advertised internally for fifteen (15) days. If the position is not filled by an employee transfer, the position will be advertised to the public and filled after sixty (60) days have lapsed. This will become effective immediately and is being done to conserve funds in our budget.
